The second question (05 points):

1- Translate from english to arabic the definition of the term related to Family law :

Family law, also known as matrimonial law, is a branch of law that deals with matters relating to family and domestic relationships. It encompasses a wide range of legal issues, including marriage, divorce, child custody, adoption, paternity, child support, spousal support, and domestic violence. Family law aims to regulate the rights and obligations of individuals within family units and provide legal mechanisms for resolving disputes that arise in these relationships. It often involves highly sensitive and emotionally charged matters, and family lawyers play a crucial role in advising and representing clients through these legal processes.
