

**Kane Kadiatou,
25 years**

Full Name: Mariam BAH

Date of birth: 13/02/2001

Nationality : Malian

Email : mbah2621@gmail.com

Spéciality : Engineering geology and geotechnics:

Correlations between geophysical and geotechnical parameters of clay soils

Currently student in Master 2 Geophysics-Geotechnics at Sorbonne University of Paris

Kane Kadiatou,
25 years

Full name : Kane Kadiatou

Date of birth: 16/07/1998

Nationality: Malienne

Email : kbb7694@gmail.com

Speciality : Hydrogeology

PFE: Use of thermal infrared remote sensing for the identification and location of underwater freshwater sources (Case of the Algerian central coast)

Current occupation: qualification training at the National Hydraulics Directorate (DNH) of Mali

Haidara Fatimatou,
24 years

Full name : Haidara Fatimatou

Date of birtg: 06/01/1999

Nationaliy : Malian

Email : fatouhaidara123@gmail.com

Speciality : Geotechnic

Master in Coastal and Littoral Engineering in France

Current position: study engineer in digital modeling of the coast in France

Jospen Makundikisa,
26 years

Full name : Jospen Makundikisa

Date of birth: 02/10/1997

Nationality : Angolais

Email : jospenc1997@outlook.com

Specialiy : Bachelor in Applied Geology

Current position : Computer technician in a visa company in the oil field (Gobal Express).

Luanda/Angola.

Contact : +244 921 222 349 et +244 958 334 899.

**Anassour,
26 years**

Full name : ANASSOUR BILLA Moctar

Date of birth: 23/09/96

Nationality : Nigerian

Email billamoctar7@gmail.com

Spéciality : Engineering geology and geotechnics:

**Correlations between geophysical and
geotechnical parameters of clay soils**

Contact : 002291104742

**Edmira Santos,
29 years**

Full name : Edmira Santos minguel

Date of birth: 25/02/1994

Nationality : Angolaise

Email : 1edmiradossantos@gmail.com

Speciality : Hydrogeology

Thesis: Impact study of climate change on the hydrological regime in the Cheliff watershed.

**Vumi Quilulo Nunes,
30 years**

Full name: Vumi Quilulo Nunes Alvaro

Date of birth 03/07/1993

Nationality : Angolaise

Email : Vumijunior.al@gmail.com

Speciality : Engineering geology and
geotechnics:

Thesis: Prediction of the geotechnical
properties of clay soils improved by mineral
additions.

**Carvalho Marcelo,
28 years**

Full name: Marcelo De Carvalho

Date of birth 12/04/1995

Address : Angola _Luanda camama

Phone Numbers : +244 993 834 795

Nationality : Angolan

Email : cellom95@outlook.com

Speciality : Engineering geology and geotechnics:

Thesis: Prediction of the geotechnical properties of clay soils improved by mineral additions.

**Kanté Seydou,
26 years**

Full name: Kanté Seydou

Date of birth: 28/01/1997

Nationality : Burkinabe

Email : seydkante7@gmail.com

Specialiy : Engineering geology and geotechnics:

Thesis : Use of neural networks for the prediction of geotechnical properties of lime-improved clay soils

**Jane-Molemo,
27 years**

Full name: Jane-Molemo Joseph

Date of birth: 23/10/1996

Nationality : Lesotho

Email : seydkante7@gmail.com

Speciality : Engineering geology and
geotechnics:

Thesis : Numerical modeling of the stability of the
roadway stabilized with lime against road traffic :
case of the Harchoun highway section, W. Chlef

Tjimbuetei-Joana,
27 years

Full name : Tjimbuetei-Joana Doroteia

Date of birth : 20/09/1996

Nationality : Angolan

Email : joanatjimbuetei96@gmail.com

Spciality : Engineering geology and geotechnics:

Thesis : Numerical modeling of the stability of the roadway stabilized with lime against road traffic : case of the Harchoun highway section, W. Chlef
